WE NEED YOU! Sponsor the 2018 DRAGON GAMES, Carroll Elementary School's annual fall fundraiser taking place in Fall of 2018. This athletic adventure leads CES students through fun physical challenges helping build self-esteem, character, and team spirit - all while helping to raise money for the CES PTO.

Historically, the CES PTO has used monies raised to support the school's educational mission through new classroom books, online interactive programs, classroom supplies, buses for field trips, and other student and teacher programs to enrich learning.

Your sponsorship helps defray the cost of organizing the event. Funds received from sponsorships are used to purchase t-shirts for each child, awards, and equipment rental fees. Any additional money from sponsorship goes toward our fundraising goal of \$75,000.
